

Mechi Fi Engineers
One Step Ahead

Welcome to Mechi Fi Engineers

- Established under **Mr. Chandresh Moradiya, Mechi Fi Engineers** specializes in **advanced water treatment solutions** and fabrication of high-quality equipment.
- Expertise in customized solutions for industries, ensuring **efficiency, durability, and sustainability.**

- ## Comprehensive After-Sales Support

Our Specialties !

Industrial Fabrication & Components

Pressure Vessels & Storage Tanks

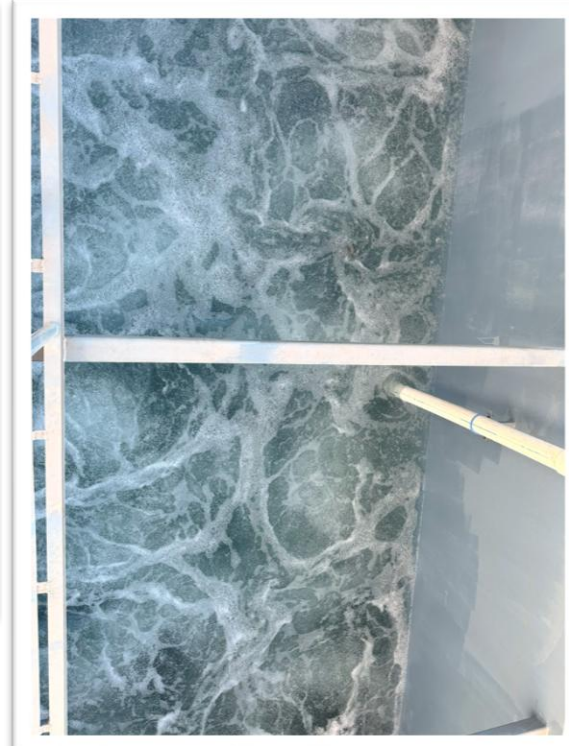

Piping & Structural Fabrication

Skid-Mounted Systems

Custom Engineering Solutions

Solutions for Every Project

- **Water Treatment Plants**

Water Treatment Plant (WTP)

Effluent Treatment Plants (ETP)

Sewage Treatment Plants (STP)

Reverse Osmosis (RO) Plants

Water Softener Plant

Demineralization (DM) Plants

- **Specialized Systems**

Filtration Systems

Aeration Systems

Separation Systems

Solutions for Every Services

- **Services**

Turnkey Projects for STP and ETP

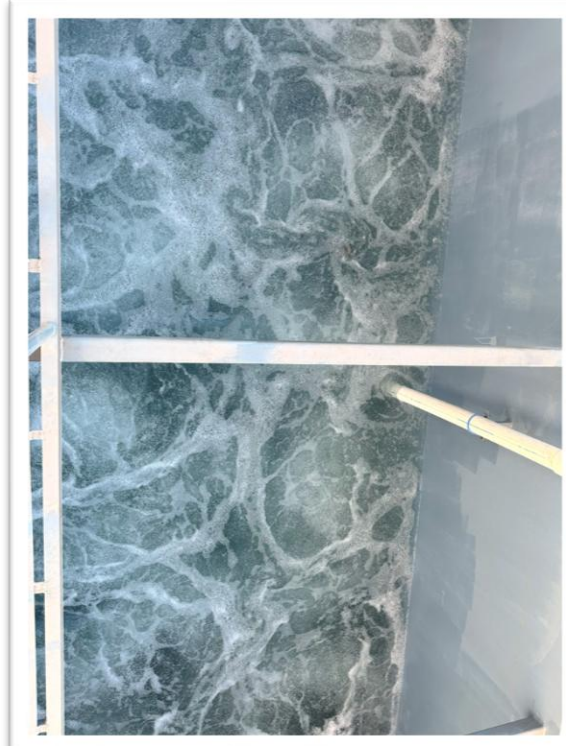

Swimming Pool Filtration Systems

Turnkey Projects for RO, Softener, DM, and WTP

Service and Maintenance

MEP and EPC Contracts

OEM Contracts

MEP and EPC Contracts

MEP Services:

- Design, installation, and maintenance
- Mechanical, Electrical, and Plumbing systems
- Compliance with standards and safety

EPC Contracts:

- Turnkey projects for water and sewage treatment
- Engineering, Procurement, and Construction services
- End-to-end project execution
